

MUHAMMAD AMEEN

JAVA DEVELOPER

IJP ROAD ISLAMABAD | +923275450926 | ameencode@gmail.com

I am a passionate technologist with a diverse background in the IT industry. Starting my career as a freelancer at a local company, I quickly progressed to the role of IT Manager at a multinational corporation. Currently, I am pursuing my Bachelor of Science in Computer Science at the NUML, where I have developed a strong foundation in OOP and DSA. My expertise in Java, particularly the Swing framework, has enabled me to create numerous GUI projects.

AREA OF EXPERTISE

JAVA	WORDPRESS	STRONG COMMUNICATION
C++	MOTION GRAPHICS DESIGN	SALES
HTML, CSS, JAVASCRIPT	STATIC GRAPHIC DESIGN	MONGO DB

KEY ACHIEVEMENTS

- **TOP SELLER.** Succeeded in becoming a top seller as a customer service representative in a call center and received an appreciation certificate along with a substantial bonus.
- **SOCIAL SERVICE.** Raised funds for a social services project during my first year at university and received an appreciation certificate from the rector.

PROFESSIONAL EXPERIENCE

Assistant IT Manager, FAST Practice Innovations ISLAMABAD **June 2024 - Present**

- As an assistant IT manager, I handle client information, sales, and data in MongoDB, oversee all computer systems and their monitoring, and also engage in graphic design to promote the company.

CSR, FAST Practice Innovations ISLAMABAD **June 2023 - June 2024**

- Worked as a CSR and became the top seller in the DME campaign. After a year in that role, I was promoted to Assistant IT Manager within the same company.

Motion / Info Graphics Designer, OPF PS DADU **Feb 2021 - Dec 2022**

- Worked as a motion graphic designer and infographic designer at an educational institution, where I created social media posts for the school.
